Attached is the City of Beverly Hills Solicitations **2024-069** and Financial Statement of Solicitation Activity. The Charitable Solicitations Commission requests that a copy of the permit be included with all invitations and any printed material associated with your event. Pursuant to Beverly Hills Municipal Code Section 4-3.808 that permits issued for charitable solicitations shall be valid for a period not to exceed one hundred and eighty (180) days from the date of issue, provided further, such permit may be extended for an additional period not exceeding an additional thirty (30) days upon filing a renewal application and demonstrating good cause for such extension. **The financial statement form must be filled out completely and returned to our office either by mail, email, or fax no later than sixty (60) days after the permit expiration date. Failure to do so may result in fines or the denial of future permit requests.** The signatory of the Financial Statement shall be either an Officer of the Organization, Executive Director or a member of the Board of Directors. ***Please note that your financial statement is due before 10/23/24.***

In addition, a copy of your completed financial statement of this permit number must be submitted with your next permit application. The Charitable Solicitations Commission has established a non-binding guideline that at least 50% of the gross receipts derived from a charitable solicitations event should be devoted to the charitable purpose. Compliance with this guideline is not mandatory. However, failure to satisfy this guideline may be disclosed by the City to the public so that donors can make informed choices about their charitable contributions.

Please note the following policy:

- Organization's name will be placed on the Failure to File List on City of Beverly Hills' website for non-receipt of financial statement ninety (90) days after the permit expiration date.
- Organization's name will be placed on City of Beverly Hills' website if less than 50% of the gross receipts derived from the solicitation event are devoted to the charitable purpose. The organization's name will be removed from the list when a financial statement of a future event meets the 50% guideline. However, after a full year has elapsed and if the organization remains on the 50% list, then the parent organization will be evaluated and if the parent organization meets the criteria, the organization will be removed from the list.
- The Charitable Solicitations Commission will notify the California Attorney General and the Internal Revenue Service regarding Organizations that conduct charitable fundraisers that net less than 30% of their revenue two or more times during a calendar year.
